

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

March 23, 2010

AMENDMENT TO AGENDA ITEM #18

Cities and Counties throughout the state are exploring every viable option for resolving the unprecedented budget problems facing municipalities. To properly address the short-term and ongoing budget shortfalls, many jurisdictions are considering or have implemented: layoffs, furloughs, eliminating sick-leave buy back and suspending annual step increases, among many options. A major part of the problem stems from the State's \$20 billion dollar plus deficit, reduced: property tax collections, real estate sales, economic activity and revenue from the State.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Officer to review all viable options of ongoing and one-time savings, and report back to the Board during Budget hearings.
